Clean Water U is a four-day program. Three main workshops are offered, covering the key steps of a Living Waters for the World water partnership. Please indicate your CWU workshop of interest.

CWU 101	☐	Learn the fundamentals of field survey, water testing, and partnership development
CWU 102	☐	Learn the health, hygiene and spiritual curriculum, teach other course participants, and finally become capable to lead the training for in-country instructors
CWU 103 Standard	☐	Build a fully functioning standard clean water system from the ground up, culminating in the production of potable water
CWU 103 ROS	☐	Take a fully functioning standard system to an advanced treatment level by adding water softening and reverse osmosis components

Note: Mission groups sending multiple attendees should ensure that all workshops are covered, preferably one to two persons per workshop (not to exceed six total).

Please indicate session date of interest:

March 11-15, 2009 ☐	July 22-26, 2009 ☐	Oct. 4-8, 2009 ☐ (Calvin Crest - CA)
April 15-19 2009 ☐	Sept. 16-20, 2009 ☐	

Note: Clean Water U fee is **$600/person** (**$550/person** if part of a group of three or more). A **$200/person deposit** is required - include with this application (make check payable to Living Waters for the World) or pay online at http://www.livingwatersfortheworld.org/cwusched.php **Deposit is required to hold a reservation.**

Is this reservation part of a group of three or more? Yes or No

Preference will be given to applicants with existing mission relationships with known clean water needs. If we can not accommodate you, you will be notified and your deposit will be returned.
